Sustainable packaging is your contribution to the environment

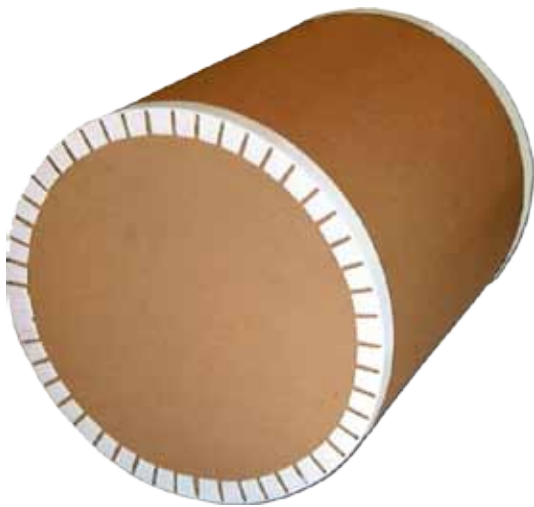

WHAT IS A WRAP-AROUND EDGEBOARD?

Eltete TPM edgeboard made out of carton, is a 100% recyclable transport packaging product. It protects the edges of products with different shapes. WA-edgeboard has been designed for rolls, round tables or other round or irregular objects.

SIZES

A	55/78mm
B	25-130mm
C	25-100mm
B+C	200mm max
D	1-3 mm
Length	800-6000mm

Steel industry has changed their way of packaging from steel protection to carton WA-edgeboards. Carton is much easier to handle and they have found this type of packaging very suitable for their needs in many ways.

Eltete TPM Ltd (Transport Packaging Materials) is a global carton board converter and an ISO-certified supplier of 100 % recyclable transport packaging materials. With own engineering division we are able to react quickly to customer demands.

With experience since 1974, we are experts on the needs of today's market. Innovative and high-quality packaging solutions made of compact carton board are being offered in more than 60 countries through Eltete sales organization. With 20 production sites in 14 countries we are close to our customers.

Eltete TPM is one of the leading producers of edgeboards and sustainable packaging solutions in the world.

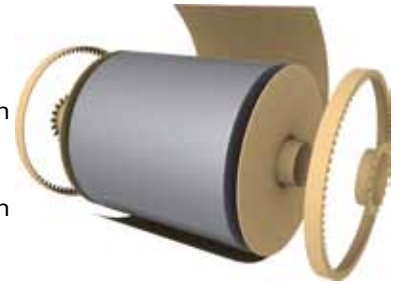

QUALITIES

BIO

- surface: white or brown

HS (Heat-sealed)

- surface: white or brown
- humidity proof

Available also as a heavy-duty (with reinforcement) or self-adhesive version.

All our edgeboards are 100% recyclable according to the European ReSy norms.

NOTCHING ALTERNATIVES

55 mm notching

78 mm notching

SOLID DISCS & SHEETS

To finalize the packaging, we can also provide a wide range of protective discs and sheets for the ends and sides of the rolls.

WHO ARE THE POTENTIAL USERS?

Paper and plastic roll producers have been able to reduce transport damage by protecting the ends of their products with compact WA-edgeboards.

Furniture industry is producing delicate products of vastly varying shape and size, without WA, they would have trouble finding effective protection.
